

The fact that Bill Gatten has made a 'huge' difference in my life is an understatement.

In less than a year, with Bill's guidance and help, and with no money or credit, I've picked up thousands of dollars in move-in money, over \$190,000 in real estate equity and \$1,800 per-month in positive cash flow! And those numbers are growing weekly!

Recently my boss at work told me that it bothered him that I took calls while on the job relative to my real estate investing endeavors. After a brief discussion, I told him that if I had to choose between making a 'living' and making a 'life,' I'd choose the latter in a 'heart beat,' and quit the job! Nothing further was said.

I have only Bill Gatten to thank for that kind of walk-away power.
